

*The Annual Fund*

Look behind the scenes, and you'll discover the Holderness Experience is the sum of many parts – a thoughtfully articulated mission, lots of old-fashioned elbow grease, meticulous attention to detail, and not surprisingly, ongoing costs for everything from socks to salaries and paint to pepper.

Yes, the Annual Fund is about those often overlooked yet entirely essential components of the Holderness Experience. But it's also much more. To a remarkable degree, the Annual Fund is about sustaining, enhancing, and enlarging the Holderness Experience for this and every generation of students and families.

Keep the Holderness Experience strong. Give generously to the 2000 Annual Fund.

*Thank you for your support!*
